

This project is funded by the European Union.
Bu proje Avrupa Birliđi tarafından finanse edilmektedir.
هذا المشروع تم تمويله من قبل الاتحاد الأوروبي

AVOID BECOMING INFECTED

Hands play a major role in the transmission of infections. Wear gloves to protect yourself from infections.

AVOID NEEDLE- STICKS

Do not recap used needles before disposal.

WEAR A MASK

Wear a mask to prevent infections, especially in cases of risk of airborne transmissions.

PRIORITIZE OCCUPATIONAL HEALTH AND SAFETY

RIGHT PLACE, QUALITY SERVICES

Contact the nearest Migrant Health Centre for more information and support.
