The following clarification is made to the Additional information about the Contract Notice

ADDITIONAL INFORMATION ABOUT CONTRACT NOTICE	
Question 1:	<p>In the economic and financial capacity section under the SELECTION AND AWARD CRITERIA title” [based on item 3 of the request to participate form, or on item 3 of supply tender form]”. In case of candidate being a public body, equivalent information should be provided. The reference period which will be taken into account will be the last three years[2019,2020,2021]for which accounts have been closed. As you will appreciate, the years 2020 and 2021 were shaken by the pandemic all over the world and negatively affected the organizational work, as in many business branches. Many companies like us did not have any activities related to similar businesses in 2020 and 2021.</p> <p>For this reason, we think that the financial capacity criteria should be re-evaluated, the pandemic period should be excluded from the financial capacity assessment, and accordingly the amount of financial capacity should be reduced [app.400.000€][date period should be 2022] and re-determined.</p>
